LUNCH AT THE CROFTY INN: We all met inside the Crofty Inn at 12.30pm and were able to have a chat and admire some of Winnie's paintings before we ate. Ros and Viv both brought their husbands to enjoy a meal and Janet Leary brought two friends with her. Lunch was served and everybody agreed that the meat was delicious and perfectly cooked and there were plenty of vegetables and potatoes served with it.

There was no formal meeting held and the next meeting will be at the school as normal at 10.30am on March 11th.
